## AREA 1: CLASSROOM AND PRACTICAL INSTRUCTION, AND ASSESSMENT OF LEARNING NAME OF INSTITUTION: ASSESSORS: DATES: SIGNATURES OF ASSESSORS:

Section A: Classroom	VEI	RIFICATION CRITERIA	Y,N,NA	Comments
Instruction				
Area 1 – 01	Veri	fy through direct observation and		
Instructor comes to class	revi	ew of documents listed whether:		
prepared				
	01	Instructor developed a lesson plan to		
		guide teaching, including learning		
		objectives		_
	02	Instructor prepares or uses prepared,		
		appropriate visual aids during the class		_
	03	Instructor is on time		
Area 1- 02	Dur	ing classroom instruction, observe whether	r the	
Instructor is teaching	instr	ructor:		
according to the curriculum	01	Specifies which topic is being taught		
and related learning	02	Refers to the correct reference books		
resource materials		/materials for the topic		
	03	Uses the learning material for the topic		
	04	Ensures that students use the learning		
		materials for the topic		
	05	Displays topic and date on the board at		
		start of class		
Area 1 -03		ing classroom instruction, observe		
Instructor introduces the		ther the instructor		
session effectively	01	States the objectives for the session		
	02	Relates the topic to content previously		
		covered or related topics, and answers		
		questions students may have		
	03	Introduces the topic in a participatory		
		and interesting manner		

Performance Standards for Health-Related Training Institutions in Liberia Area 1: Classroom and Practical Instruction and Assessment

Performance Standards		VERIFICATION CRITERIA	Y,N, NA	COMMENTS
Area 1 -04		During classroom instruction, observe		
Instructor uses effective		whether the instructor:		
presentation and				
questioning techniques				
	01	Projects her/his voice clearly and		
		audibly		
	02	Maintain eye contact with students		
	03	Uses appropriate aids during lecture		
		segments		
	04	Ensures sequential delivery of topic		
	05	Asks questions relevant to the topic		
	06	Acknowledges correct responses		
	07	Provides constructive feedback		1
	08	Rewords questions to elicit correct		1
		responses		
	09	Uses at least one activity (e.g. role		
		plays, case studies, group work,		
		exercises) during classroom session		
	10	Ensures interactive learning		
	11	Moves around the class; not at the		
		desk the entire time		
Area 1 -05		During classroom instruction, observe		
Instructor summarizes at		whether the instructor:		
the end of presentation or	01	Summarizes the main points of the		
session		lesson		
	02	Relate summary to the objectives		
	03	Provides an opportunity for and		
		encourages student questions and		
		discussion		
	04	Refers students to relevant reference		
		materials		
Area 1 -06		For group activity, observe whether		
Instructor facilitates group		the instructor:		
activities	01	Prepares the group activity in advance		
	02	Clearly explains the purpose of the		
		activity		
	03	Gives clear instructions for activity		
	04	Encourages the use of learning		
		materials		
	05	Moves among groups during the		
		activity to offer suggestions and		
		answer questions		
	06	Brings students together to discuss		
	alatad '	activity at the end		

Performance Standards for Health-Related Training Institutions in Liberia Area 1: Classroom and Practical Instruction and Assessment

SECTION B: PRACTICAL	INST	RUCTION & SKILLS LABORTORY	
Area 1-07		Observe whether the instructor	
Instructor uses the skills		introduces new skills by:	
laboratory/simulation	01	Ensuring that all students have the	
center effectively for		necessary learning materials (e.g.,	
demonstrating clinical		supplies, models, learning guides, etc.)	
skills	02	Describing the skill and why the skill	
	-	is important	
	03	Describing steps involved in the skill,	
	0.5	using the relevant learning guide	
	04	Describing the skills as follows:	
	04	Describing the skins as Tollows.	
		Simulates clinical setting as much as possible	
		<ul> <li>Proceeds in a step-by-step manner</li> </ul>	
		Demonstrates skill accurately	
		Demonstrates skill from	
		beginning to end, without	
		skipping steps	
		<ul> <li>Interacts with students,</li> </ul>	
		asking and answering	
		questions	
		<ul> <li>Uses all the necessary</li> </ul>	
		supplies and equipment	
		<ul> <li>Demonstrate so that all</li> </ul>	
		students can see	
		<ul> <li>Ensures that each student</li> </ul>	
		follows, using the correct	
		learning guide	
		<ul> <li>Summarizes and asks</li> </ul>	
		students if they have	
		questions	
Area 1-08		Observe whether instructor uses	
Instructor uses the skills		learning lab to foster practical learning	
learning		by:	
laboratory/simulation	01	Allowing students to practice the skill	
center effectively for		in small groups, taking turns with	
student practice of clinical		different roles (i.e., practicing,	
skills		observing, giving feedback,	
		simulating role of patient)	
		putternt)	
	02	Ensuring that at least one to two	
	02	students practice on a model	
		students pruduce on a moder	

03	Observing students practicing and providing constructive and positive feedback	
04	Questioning students in order to check their knowledge and problem-solving skills	
05	Summarizing the session at the end

requirements are 101   Graduating requirements are explicitly stated,	requirements are	01	Graduating requirements are explicitly stated,				

explicit and are met		and students are informed of such	
before any student		requirements	
can graduate	02	All students who have graduated during the	
		last teaching cycle have met the graduation	
		requirements	
	03	Students who have not met the graduation	
		requirements are offered a time-limited tutorial	
		plan to help them achieve the requirements	

Performance Standards for Health-Related Institutions in Liberia Area 4: Institution Management

PERFORMANCE		VERIFICATION CRITERIA	Y, N, NA	COMMENTS
STANDARDS				
Area 4 -17		Through record reviews and interviews with 2		
Institution		administrators and 2 instructors, verify whether:		
administrators and	01	Meetings that include all instructors and staff		
teaching staff meet		occur regularly (at least once a month)		
regularly	02	Instructors can provide input and influence		
		decision-making about education		
	03	Student and teaching results are discussed and		
		areas for improvement identified		
	04	Clinical preceptors meet with institution staff		
		regularly		
Area 4-18		Verify through a document review and		
A teaching		interviews with the teaching coordinator and 2		
coordinator visits		clinical preceptors whether:		
clinical practice sites	01	There is a schedule of regular meetings /visits		
and meets with		between a clinical course coordinator and		
preceptors		clinical preceptors		-
	02	Student performance is discussed		
	03	Problems are discussed, solutions are identified,		
		and action is taken to resolve problems		
Area 4-19		Verify through interviews with 1 instructor and		1
Staff and students		1 student, whether they can access a health		
have access to		center/clinic that offers:		
medical care	01	First aid services		
	02	Sexual and reproductive health services		
		(including voluntary counseling and testing		
		(VCT) and family planning (FP)		
	03	Primary health care
